The number of days indicated at each level shall be considered a maximum and every effort should be made to expedite the process. The failure of an employee to act on any grievance within the prescribed time limits will act as a bar to any further appeal and the employer's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. Time limits, however, may be extended by mutual agreement.

D. Investigation: Any investigation or other handling or processing of any grievance by the grieving employee shall be conducted so as to result in no interference with or interruption whatsoever with the program and related work activities of the grieving employee or of other employees.

E. Steps of the Grievance Procedure:

1. Level One: An employee with an alleged grievance shall within ten (10) days from the date of the alleged grievance, discuss the grievance with his/her immediate supervisor in an attempt to resolve the matter informally.

The principal shall within five (5) days, following the receipt of the written grievance, meet with the employee to discuss the grievance. Within five (5) days following this meeting, the immediate supervisor shall communicate in writing to the employee the disposition of the grievance and state remedy proposed.
3. Level Three: In the event an employee is not satisfied with the decision at Level Two and the employee desires to proceed to Level Three of the grievance procedure, the employee must file within five (5) days of the employee's receipt of the written decision from Level Two a copy of the written grievance with the superintendent. The employee and the superintendent shall meet to discuss the grievance. Within five (5) days of the meeting, the superintendent or his designee shall indicate his proposed remedy of the grievance in writing. days from the receipt of the Level Three answer of the binding arbitration, the Association and the employer shall request the Public Employee Relations Board to provide a list of five (5) arbitrators. At a mutually agreeable time following the receipt of the list of the panel of five (5) arbitrators, the parties shall meet to select a single arbitrator. At this meeting, each of the two parties, the moving party striking first, will alternately strike one (1) name at a time from the list until only one (1) name remains. The remaining name shall be the arbitrator.

The arbitrator's decision shall be in writing and shall set forth his finding, reasonings, and conclusions on the issues submitted. The arbitrator's decision shall be made within thirty (30) days after the close of the arbitrator's hearing. The arbitrator shall have no power to alter, add to, or detract from the specific provisions of the agreement. No decision of the arbitrator shall in any way be derogation of the powers, duties and rights established in the employer by constitutional provisions, statute, or other legislative act. The arbitrator's decision shall be binding to both parties. The costs of the service of the arbitrator will be born equally by the employer and the Association.

F. All meetings and hearings under this procedure shall be conducted in private and shall include only witnesses, the parties in interest, and their designated or selected representative.

G. If an employee or the Association files any claim or complaint in any form other than under this grievance procedure, then the school district shall not be required to process the same claim or set of facts throughout the grievance procedure.

ARTICLE XII

ARTICLE XIII

STAFF REDUCTION AND ASSIGNMENT

A. The Board of Education retains the sole and exclusive right to determine the number of staff members required to maintain its program, and the right to determine which program within the District will be continued or added.

B. The employer shall take into account attrition and possible transfers to determine whether a reduction is necessary. In the event the employer determines that employees must be reduced or eliminated, the following procedure will be followed:

1. Employees will be reduced on the following basis:
 - A. Seniority as defined in Article II.
 - B. Qualifications (i.e. approvals and/or certification).
 - C. Academic program continuity.
2. Normally, seniority will be the controlling factor, however, considerations of items 1B and 1C above may override in unusual circumstances.
3. Employees to be reduced or eliminated shall be notified no later than April 30. This notice shall be delivered to the employee by certified mail or given to the employee after the close of the employee's work day.
4. Staff reduction shall be made within the following categories:
 - A. K-6.
 - B. 7-12 within each subject area.
 - C. K-12 special education.

- C. 1. Employees wanting recall rights shall advise the superintendent of their current address and telephone number. Employees shall have recall rights for two years for any position which becomes available within the category from which the employee was reduced. Employees will be recalled in inverse order of lay off. Notice of recall to available positions shall be sent by certified mail.
2. Any employee re-employed by exercising their recall rights shall maintain all unused accumulated sick leave and shall be placed on the next higher step on the salary schedule.
3. A recalled employee must notify the superintendent within five (5) days of receipt and notice of recall of his/her desire and availability to return to work. If the employee fails to respond within five (5) days, the employee will be deemed to have refused the recall offer. The employee shall be informed of the five (5) day limitation in the communication.
4. If a reduced employee has been recalled to a position having less than full time equivalency than he/she previously held, he/she shall retain recall rights to any position having a full time equivalency for which he/she is certified.

ARTICLE XIV

FINALITY AND EFFECT OF AGREEMENT

- A. This Agreement constitutes the entire agreement between the parties and concludes collective bargaining for its term.
- B. Past practices shall not constitute part of this Agreement and any subsequent or supplementary Agreement must be reduced to writing and executed by both parties to be effective.
- C. The parties acknowledge that during the negotiations which resulted in the Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject as provided in Section 9 of the Iowa Public Employment Relations Act designated under said section as negotiable for collective bargaining purposes, after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the employer and the Association, for the life of this Agreement, each voluntarily and unqualifiably waives any right which might otherwise exist under law to negotiate over any matter during the term of this Agreement, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.
